GORGEOUS HOME WITH OPEN CONCEPT

This gorgeous, open concept Jackson plan is 3,573 sf with 4 bedrooms, 3 bathrooms, a formal dining area, game and media rooms upstairs. The exterior features Buff Lueders stone and Oyster Bay brick. Engineered wood floors extend throughout the main areas, study, and master bedroom. The kitchen features quartz countertops in Arctic White with waterfall edges, custom shaker cabinets extended to ceiling with clear glass doors, and a marble backsplash in Polished White Carrara. The wood wrapped kitchen island has a quartz countertop in Statuary Classique. The fireplace features faux stone to ceiling with a cedar beam mantle. There is upgraded tile in all bathrooms and the master bathroom features quartz countertops in Calcutta Laza. Wainscoting on the back wall of the dining room and on all walls in the study adds a beautiful design detail to these spaces. Three windows in the family room overlook the covered patio with a corner fireplace.
